To be held on June 4, 2010

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Tsakos Energy Navigation Limited, a Bermuda company, for use at the 2010 Annual Meeting of Shareholders of the Company to be held at 15:00 (3:00 pm) Greek local time, Friday, June 4 2010, in the Company's Auditorium at 367 Syngrou Avenue, P. Faliro, Athens, Greece and at any adjournments thereof.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL SHAREHOLDERS MEETING TO BE HELD ON June 4, 2010

As mentioned above in the Chairman's letter, we are providing our proxy materials to our shareholders primarily over the Internet. On or about April 23, 2010, we will begin mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to most our shareholders informing them that our 2010 Proxy Statement (the "Proxy Statement"), 2009 Annual Report and voting instructions are available online. The Notice will explain how our proxy materials can be accessed on the Internet and how shares can be voted. Our proxy materials will be available on a designated website that will be identified in the Notice. From that website, most shareholders will be able to view and/or print the proxy materials and vote their shares electronically. The Notice will also provide information regarding how shareholders may receive paper copies of the proxy materials, without charge, or electronic copies of the proxy materials via e-mail. This process will enable the Company to distribute its proxy materials electronically and, thereby, reduce the costs and environmental impact of printing and mailing paper copies of its proxy materials. Other shareholders have been mailed paper copies of our proxy materials. If you received our proxy materials by mail, the notice of annual meeting of shareholders, Proxy Statement and proxy card and 2009 Annual Report were enclosed.

The notice of annual meeting of shareholders, Proxy Statement, proxy card and the Company's 2009 Annual Report to Shareholders are also available on the Company's website, <http://www.tenn.gr>. The Company's Annual Report on Form 20-F filed on April 9, 2010 with the U.S. Securities and Exchange Commission (the "SEC") is also available at <http://www.tenn.gr>.

VOTING METHODS

Internet Voting

All shareholders of record may vote by accessing the following website address: <http://www.proxyvoting.com/tnp>.

All street name holders may vote on the Internet by following the instructions in the Notice or by accessing the following website address: <http://www.proxyvote.com>.

Telephone Voting

All shareholders of record may vote by calling the following toll-free telephone number: 1-866-540-5760. Please follow the voice prompts.

If you are a street name holder, and you requested to receive printed proxy materials, you may vote by telephone if your bank or broker makes that method available to you in the voting instruction card enclosed with the proxy materials that your bank or broker sends to you.

Shareholders of Record and Beneficial Owners

If your shares are registered directly in your name on the books of the Company maintained with the Company's transfer agent, BNY Mellon Shareowner Services, you are considered the "shareholder of record" of those shares and paper copies of our proxy materials will be mailed to you.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name (also called a "street name" holder), and the Notice is being forwarded to you by your broker, bank or nominee. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote and are also invited to attend the 2010 Annual Meeting. However, since you are not a shareholder of record, you may not vote these shares in person at the 2010 Annual Meeting unless you bring with you a legal proxy from the shareholder of record. A legal proxy may be obtained from your broker or nominee.

VOTING OF PROXY, REVOCATION

A proxy that is properly executed, whether on the Internet, by telephone or by mail, and not subsequently revoked will be voted in accordance with instructions contained therein. If no instructions are given with respect to the matters to be acted upon, proxies will be voted as follows: (1) for the election of Messrs. Stavropoulos and Nicholson as directors, (2) for the appointment of Ernst & Young (Hellas), Athens, Greece as the Company's auditors and to authorize the Audit Committee to set their remuneration, and (3) otherwise in accordance with the best judgment of the person or persons voting the proxy on any other matter properly brought before the 2010 Annual Meeting. Any shareholder who votes by requesting a printed copy of the proxy materials and completing and returning by mail the proxy card or voting instruction card or by using the Internet or by telephone, may revoke his, her or its proxy or change his, her or its vote at any time before it is voted at the 2010 Annual Meeting by (A) delivering written notice to the Secretary of the Company of its revocation, (B) executing and delivering to the Secretary of the Company a later dated proxy by using the Internet, by telephone or by mail, or (C) by appearing in person at the 2010 Annual Meeting and voting his, her or its shares in person.

EXPENSES OF SOLICITATION

The expenses of the preparation of proxy materials and the solicitation of proxies for the 2010 Annual Meeting will be borne by the Company. In addition to solicitation by mail, proxies may be solicited in person, by telephone, telecopy, electronically, or other means, or by directors, officers and regular employees of the Company who will not receive additional compensation for such solicitations. D.F. King Co. Inc. has been engaged by the Company to assist in the solicitation of proxies for a fee of \$11,000 plus their costs and expenses. Although there is no formal agreement to do so, the Company will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in forwarding the Notice and proxy materials to the beneficial owners of the Company's Common Shares.

VOTING SECURITIES

Holders of the Company's Common Shares as of the close of business on April 15, 2010 will be entitled to notice of, and to vote at, the 2010 Annual Meeting or any adjournments thereof. On that date there were 37,619,292 Common Shares outstanding, the holders of which are entitled to one vote for each share registered in their names with respect to each matter to be voted on at the 2010 Annual Meeting. The presence in person or by proxy (regardless of whether the proxy has authority to vote on all matters), of two shareholders of record will constitute a quorum at the 2010 Annual Meeting.

Assuming that a quorum is present at the 2010 Annual Meeting, directors will be elected by a plurality of the votes cast at the 2010 Annual Meeting by holders of Common Shares present in person or represented by proxy. Approval of other items at the 2010 Annual Meeting requires that the number of votes cast in favour of the action exceeds the number of votes cast in opposition to the action, whether in person or by proxy. Withholding authority to vote for directors and broker non-votes will not affect the election of directors or the outcome of the vote on other proposals.

BOARD OF DIRECTORS VOTING RECOMMENDATION

The Board of Directors recommends that shareholders vote FOR Item No. 1, the election of each nominee to the Board of Directors and FOR Item No. 2, the appointment of Ernst & Young (Hellas), Athens, Greece as the Company's auditors and to authorise the Audit Committee of the Board of Directors to set their remuneration.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of our outstanding Common Shares as of April 15, 2010 held by:

- each person or entity that we know beneficially owns 5% or more of our Common Shares;
- each of our officers, directors and director nominees; and
- all of our directors, director nominees and officers as a group.

Beneficial ownership is determined in accordance with the rules of the SEC. In general, a person who has or shares voting power or investment power with respect to securities is treated as a beneficial owner of those securities. Beneficial ownership does not necessarily imply that the named person has the economic or other benefits of ownership. Under SEC rules, shares subject to options, warrants or rights currently exercisable or exercisable within 60 days are considered as beneficially owned by the person holding those options, warrants or rights. The applicable percentage of ownership of each shareholder is based on 37,619,292 Common Shares outstanding on April 15, 2010. Except as noted below, the address of all shareholders, officers, directors and director nominees identified in the table and accompanying footnotes below is in care of the Company's principal executive offices.

CORPORATE GOVERNANCE

The Company's business is managed under the direction of the Board, in accordance with the Companies Act of 1981 of Bermuda and the Company's Memorandum of Association and Bye-laws. Members of the Board are kept informed of the Company's business through: discussions with the Chairman of the Board, the President and Chief Executive Officer and other members of the Company's management team; the review of materials provided to directors; and participation in meetings of the Board and its committees. During the fiscal year ended December 31, 2009, the full Board held three meetings. Each director attended all of the meetings of the Board with the exception of Dr. Patrinos who was absent from the May Board meeting. In addition, each director, except Dr. Patrinos in May 2009 and Mr. Jolliffe in November 2009, attended all of the meetings of committees of which the director was a member.

Documents Establishing Our Corporate Governance

The Board and the Company's management have engaged in an ongoing review of our corporate governance practices in order to oversee our compliance with the applicable corporate governance rules of the New York Stock Exchange (the "NYSE") and the SEC.

The Company has adopted a number of key documents that are the foundation of its corporate governance, including:

- a Code of Business Conduct and Ethics for Directors, Officers and Employees;
- a Corporate Governance, Nominating and Compensation Committee Charter; and
- an Audit Committee Charter.

These documents and other important information on our governance, including the Board's Corporate Governance Guidelines, are posted in the "Investor Relations" section of the Tsakos Energy Navigation Limited website, and may be viewed at <http://www.tenn.gr>. We will also provide any of these documents in hard copy upon the written request of a shareholder. Shareholders may direct their requests to the attention of Investor Relations, c/o George Saroglou or Paul Durham, Tsakos Energy Navigation Limited, 367 Syngrou Avenue, 175 64 P. Faliro, Athens, Greece.

The Board has a long-standing commitment to sound and effective corporate governance practices. The Board's Corporate Governance Guidelines address a number of important governance issues such as:

- Selection and monitoring of the performance of the Company's senior management;
- Succession planning for the Company's senior management;
- Qualifications for membership on the Board;
- Functioning of the Board, including the requirement for meetings of the independent directors; and
- Standards and procedures for determining the independence of directors.

The Board believes that the Corporate Governance Guidelines and other governance documents meet current requirements and reflect a very high standard of corporate governance.

Independence of Directors

The foundation for the Company's corporate governance is the Board's policy that a substantial majority of the members of the Board should be independent. With the exception of the two Executive Directors (Messrs. Tsakos and Saroglou) the Board believes that each of the other incumbent directors (Messrs. Stavropoulos, Jolliffe, Nicholson, Nusspickel, O'Neil, Paniguan and Patrinos) is independent under the standards established by the NYSE because none has a material relationship with the Company directly or indirectly or any relationship that would interfere with the exercise of their independent judgment as directors of the Company.

The Board made its determination of independence in accordance with its Corporate Governance Guidelines, which specifies standards and a process for evaluating director independence. The Guidelines provide that:

- A director cannot be independent if he or she fails to meet the objective requirements as to "independence" under the NYSE listing standards.
- If a director meets the objective NYSE standards, he or she will be deemed independent, absent unusual circumstances, if in the current year and the past three years the director has had no related-party transaction or relationship with the Company or an "interlocking" relationship with another entity triggering disclosure under the SEC disclosure rules.
- If a director who meets the objective NYSE independence requirements either has had a disclosable transaction or relationship or the Corporate Governance, Nominating and Compensation Committee requests that the Board consider any other circumstances in determining the director's independence, the Board will make a determination of the director's independence.

To promote open discussion among the independent directors, those directors met in 2009 in three regularly scheduled executive sessions without participation of the Company's management and will continue to do so in 2010. Mr. Nicholson currently serves as the Presiding Director for purposes of these meetings.

Committees of the Board

The Board has established an Audit Committee and a Corporate Governance, Nominating and Compensation Committee. The Board also has a Capital Markets Committee, a Risk Committee, an Operational and Environmental R&D Committee and a Chartering Committee.

Audit Committee

The members of the Audit Committee are Messrs. Jolliffe, Nicholson, Nusspickel and Stavropoulos, each of whom is an independent Director. Mr. Nusspickel is the Chairman of the Audit Committee. The Audit Committee is governed by a written charter, which is approved and adopted annually by the Board. As stated above, the Board has determined that the continuing members of the Audit Committee meet the applicable independence requirements, and that all continuing members of the Audit Committee meet the requirement of being financially literate. The Audit Committee held

five meetings during the fiscal year ended December 31, 2009, three of which were in person and two via telephone conference. Mr. Jolliffe was absent from the November 2009 meeting. The Audit Committee is appointed by the Board and is responsible for, among other matters:

- engaging the Company's external and internal auditors;
- approving in advance all audit and non-audit services provided by the auditors;
- approving all fees paid to the auditors;
- reviewing the qualification and independence of the Company's external auditors;
- reviewing the Company's relationship with external auditors, including the consideration of audit fees which should be paid as well as any other fees which are payable to auditors in respect of non-audit activities, discussions with the external auditors concerning such issues as compliance with accounting standards and any proposals which the external auditors have made vis-à-vis the Company's accounting standards;
- overseeing the Company's financial reporting and internal control functions;
- overseeing the Company's whistleblower's process and protection; and
- overseeing general compliance with related regulatory requirements.

The Board of Directors has determined that Messrs. Nusspickel and Stavropoulos, whose biographical details are included herein, each qualifies as an "audit committee financial expert" as defined under current SEC regulations and each is independent in accordance with the listing standards of the NYSE.

Corporate Governance, Nominating and Compensation Committee

The members of the Corporate Governance, Nominating and Compensation Committee are Messrs. Jolliffe, Nicholson, Nusspickel, O'Neil, Paniguan, Patrinos and Stavropoulos, each of whom is an independent Director. Mr. Nicholson is Chairman of the Committee. The Corporate Governance, Nominating and Compensation Committee is appointed by the Board and is responsible for:

- assisting the Board and the Company's management in establishing and maintaining a high standard of ethical principles;
- ensuring appropriate independence of directors under NYSE and SEC rules;
- identifying and nominating candidates for election to the Board and appointing the Chief Executive Officer and the Company's senior management team;
- designing the compensation structure for the Company and for the members of the Board and its various committees; and

- designing and overseeing the short-term and long-term incentive compensation program of the Company.

During 2009, there were three meetings of the Corporate Governance, Nominating and Compensation Committee. Dr. Patrinos did not participate in the May 2009 committee meeting.

Management Company

Pursuant to a management agreement (the "Management Agreement") with Tsakos Energy Management Limited, a Liberian corporation ("Tsakos Energy Management"), our operations are executed and supervised by Tsakos Energy Management, based on the strategy devised by our Board of Directors and subject to the approval of our Board of Directors. Pursuant to the Management Agreement, dated March 8, 2007, effective from January 2008, there is a prorated adjustment to the management fee if at the beginning of each year the Euro has appreciated by 10% or more against the U.S. Dollar since January 1, 2007. In addition, there is an increase each year by a percentage figure reflecting 12 month Euribor, if both parties agree. As a consequence, from January 1, 2008, monthly management fees for operating vessels were increased accordingly to \$23,000 per owned vessel and \$17,000 for chartered-in vessels. In accordance with the terms of the same agreement, the monthly fee was increased, effective January 1, 2009, to \$23,700 for owned vessels and \$17,500 for vessels chartered-in or chartered out on a bareboat basis and vessels under construction. Effective January 1, 2010, the monthly fees were raised to \$24,000 and \$17,700 respectively. Also, under the terms of the Management Agreement, Tsakos Energy Management provides supervisory services for the construction of new vessels for a monthly fee. Such monthly fees were \$17,500 per vessel in 2009, \$17,000 in 2008 and \$15,000 in 2007. These fees in total amounted to \$0.90 million, \$1.22 million and \$1.83 million during the years ended December 31, 2009, 2008 and 2007, respectively, and are either accounted for as part of the construction costs for delivered vessels or are included in advances for vessels under construction. Management fees (including supervisory fees for the construction of new vessels) paid to Tsakos Energy Management in 2009, 2008, and 2007 were \$13.8 million, \$12.9 million and \$11.3 million, respectively.

Management Compensation

Our senior managers, other than Mr. Tsakos, receive salaried compensation from Tsakos Energy Management, which receives a monthly management fee from the Company pursuant to the Management Agreement to provide overall executive and commercial management of its affairs. Messrs. Tsakos, Saroglou, Durham and Jadro serve as President and Chief Executive Officer, Vice President and Chief Operating Officer, Chief Financial Officer, and Chief Marine Officer, respectively. Such individuals are employees of Tsakos Energy Management and, except for the equity compensation discussed below, are not directly compensated by the Company.

The policy of the Committee is to structure the Management Agreement and the directors' compensation arrangements so as to enable the Company and Tsakos Energy Management to attract, motivate and retain high performance executives and ship personnel who are critical to our long-term success. The policy is designed to link compensation to success in achievement of our business plans and a number of corporate, financial and operational goals.

The Corporate Governance, Nominating and Compensation Committee has adopted a short-term performance incentive program for Tsakos Energy Management based on the return on equity ("R.O.E.") measured by the book value per share at the beginning of each fiscal year and basic earnings per share for that year. U.S. GAAP accounting defines the value of the components. The award scale for 2006, ranged from R.O.E. greater than 15% corresponding to an award amount of \$1.25 million up to R.O.E. greater than 25% with an award amount of \$3.5 million. For 2006, an incentive award of \$3.5 million was approved by the Board of Directors and was expensed and recognized in accrued liabilities in the Company's December 31, 2006 Consolidated Balance Sheets. For 2007, Tsakos Energy Management earned an award of \$4.0 million, which was distributed to the senior personnel of Tsakos Energy Management and Tsakos Shipping whose performance was critical in achieving a return of equity of 24.2%. The ultimate award of the management incentive award is always at the sole discretion of the Company's Board of Directors.

In September 2007, the Corporate Governance, Nominating and Compensation Committee revised the incentive award scale, effective from January 1, 2008, as follows:

<u>R.O.E.</u>	<u>Amount of award</u>
15.0%	\$2.50 million
17.5%	\$3.25 million
20.0%	\$4.00 million
22.5%	\$4.75 million
25.0%	\$5.50 million

For 2008, the Company achieved an R.O.E. of 23.7% and the Board of Directors, at its March 17, 2009 meeting, approved the award of \$4.75 million as per the above table. In the same meeting, the Corporate Governance, Nominating and Compensation Committee, considering the current economic environment, revised the incentive award scale effective January 1, 2009 as follows:

<u>R.O.E.</u>	<u>Amount of award</u>
15.0%	\$3.00 million
17.5%	\$4.00 million
20.0%	\$5.50 million
22.5%	—
25.0%	—

Additionally in 2009, if the R.O.E. was less than 15.0% but greater than 10.0%, then an alternative award was possible if the Company's R.O.E. exceeds the average R.O.E. of its peers (Overseas Shipholding Group, Inc. and Teekay Corporation). In such case, the Board of Directors could have elected to award a bonus of \$1.5 million. However, as the 2009 R.O.E. was less than 10.0%, no incentive award was approved by the Company's Board of Directors, nor has a scale yet been set for 2010.

Equity Compensation Awards

The Company's directors and senior management are also eligible to receive equity compensation awards directly from the Company under the Tsakos Energy Navigation Limited 2004 Incentive Plan (the "2004 Plan").

The following restricted share units ("RSUs") were granted by the Company in 2006, 2007 and in 2009 under the 2004 Plan:

(2) 186,000 RSUs were granted to the Company's directors, officers and crew members and 394,000 RSUs were granted to employees of related companies; 50% of these RSUs vested on December 31, 2008 and the remaining 50% will vest on December 31, 2010.

(5) In March 2009, 11,800 RSUs were issued to non-executive directors (with the exception of Mr. Paniguan) to vest on May 29, 2010.

Total compensation expense recognized for the year ended December 31, 2009 was \$1.09 million, consisting of: \$0.68 million for directors, officers and crew members of the company and \$0.41 million for the other recipients. In 2008 total compensation expense was \$3.05 million, consisting of: \$1.24 million for directors, officers and crew members of the Company and \$1.81 million for other recipients. In 2007, total compensation expense was \$5.67 million consisting of: \$1.66 million for directors, officers and crew members of the Company and \$4.01 million for other recipients. In 2006, compensation expense amounted to \$0.22 million relating to employees only. Of the aggregate 605,650 RSUs awarded in 2007 and 2006, 311,650 had vested and 11,000 were forfeited as of December 31, 2008. At December 31, 2009, the total compensation cost related to the non-

vested RSUs not yet recognized is \$1.59 million (versus \$1.02 million at December 31, 2008).

The Corporate Governance, Nominating and Compensation Committee approved on March 17, 2009, the further grant of 110,000 RSUs to the officers of the Company and employees of related companies. These grants became effective on June 30, 2009 and will vest 50% on June 30, 2010 and 50% on December 31, 2011. Additionally, in March 2009, 11,800 RSUs, which will vest on May 29, 2010, were issued to non-executive directors (with the exception of Mr. Paniguian). Of the 727,450 RSUs awarded in 2009, 2007 and 2006, 311,650 were vested and 16,300 were forfeited as of December 31, 2009. As of December 31, 2009, the weighted average remaining contractual life of outstanding grants is 1.1 years.

REPORT OF THE AUDIT COMMITTEE

The Board has determined that each member of the Audit Committee meets the independence and financial literacy requirements set forth by the SEC and the NYSE, and that Francis T. Nusspickel and D. John Stavropoulos each qualifies as an "audit committee financial expert" as defined by the SEC.

The Audit Committee of the Board of Directors operates pursuant to a written charter. A printable version of the charter may be accessed through the Investor Relations section of the Company's website at <http://www.tenn.gr>. The charter describes the Committee's purpose, which is to assist the Board in its general oversight of: (1) the integrity of the Company's financial statements and the Company's financial reporting processes and systems of internal control, (2) the qualifications, independence and performance of the Company's independent public accounting firm and the performance of the Company's internal audit function, (3) the Company's compliance with legal and regulatory requirements involving financial, accounting and internal control matters, (4) investigations into complaints concerning financial matters and (5) risks that may have a significant impact on the Company's financial statements.

The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. The Audit Committee last reviewed its charter in May, 2009, and at that time determined that no changes were required in light of changing business, legal or other conditions. The Audit Committee has also adopted pre-approval policies and procedures regarding the retention of the Company's independent auditors (and certain other independent audit firms) to provide audit and non-audit services and for the retention of any firm to provide audit services.

The Company's management is responsible for the Company's financial reporting process, including its system of internal control over financial reporting, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. Ernst & Young (Hellas), the Company's independent registered public accounting firm, is responsible for expressing an opinion based on their audits of the consolidated financial statements and internal control over financial reporting. In accordance with its written charter, the Audit Committee assists the Board of Directors in its oversight.

Further, the Audit Committee reviews reports prepared by management on various matters including critical accounting policies and issues, material written communications between the independent auditors and management, significant changes in the Company's selection or application of accounting principles and significant changes to internal control procedures. It is not the duty or responsibility of the Audit Committee to conduct auditing and accounting reviews or procedures.

In discharging its oversight responsibilities with respect to the audit process, the Audit Committee: (1) has received and reviewed the written disclosures and the letter from Ernst & Young (Hellas) required by applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young's (Hellas) communications with the Audit Committee concerning independence, and has discussed with Ernst & Young (Hellas) that firm's independence from the Company and management; (2) discussed with Ernst & Young (Hellas) any relationships that may impact its objectivity and independence; and (3) considered whether the non-audit services provided to the Company by Ernst & Young (Hellas) are compatible with maintaining their independence. The Audit Committee also reviewed with the independent auditing firm their identification of audit risk, audit plans

and audit scope, as well as all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee reviewed and discussed with management and its independent public auditors the Company's 2009 annual audited consolidated financial statements, including a review of the "Managements' Discussion and Analysis of Financial Condition and Results of Operations" included in the Company's Form 20-F for the fiscal year ended December 31, 2009, as well as the Company's earnings press releases and information related thereto.

During fiscal year 2009, the Audit Committee held five meetings, three of which were in person. During such in person meetings, the Audit Committee met with representatives of the independent public accounting firm, both with management present and in private sessions without management present, to discuss the results of the audit and to solicit their evaluation of the Company's accounting principles, practices and judgments applied by management and the quality and adequacy of the Company's internal controls. At such in person meetings, the Audit Committee also met in private sessions with the Director of Internal Audit, who reports directly to the Committee, to discuss audit results for 2009 and audit plans for 2010.

As part of its oversight role and in reliance upon its reviews and discussions as outlined above, the Audit Committee reviewed and discussed with management its assessment and report on the effectiveness of the Company's internal control over financial reporting as of December 31, 2009, which was made using the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control-Integrated Framework. The Audit Committee also reviewed and discussed with Ernst & Young (Hellas) its attestation report on internal control over financial reporting. This report is included in the Company's Annual Report on Form 20-F for the fiscal year ended December 31, 2009, which was filed with the SEC on April 9, 2010.

In performing the above described functions, the Audit Committee acts only in an oversight capacity and necessarily relies on the work and assurances of the Company's management and independent public accounting firm, which, in their report, express an opinion on the conformity of the Company's annual financial statements to accounting principle generally accepted in the United States.

Based upon the Audit Committee's discussion with the Company's management and Ernst & Young (Hellas) and the Audit Committee's review of the annual audited consolidated financial statements, representations of the Company's management and the report of the independent public accountants to the Audit Committee, the Audit Committee recommended to the Board, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 20-F for the fiscal year ended December 31, 2009.

The Audit Committee also approved, subject to stockholder ratification, the selection of Ernst & Young (Hellas) as the Company's independent registered public accounting firm for the fiscal year 2010.
