### WHISTLEBLOWING POLICY

#### 1. The Scope of the Policy

- A. This Whistleblowing Policy (the “Policy”) applies to all directors, officers, contractors, and employees of (1) Tsakos Energy Navigation Limited and its subsidiaries and other business entities controlled by it (collectively, the “Company”); (2) affiliates and entities that regularly provide management or other services to the Company, including but not limited to Tsakos Energy Management Limited and Tsakos Shipping & Trading S.A. (each a “Management Company” and collectively the “Management Companies”). Collectively, the Company’s and the Management Companies’ directors, officers, contractors, and employees are referred to as “Covered Persons”.
- B. Furthermore, this Policy extends protection to other individuals that may be subject to indirect retaliatory measures due to a report, as in the case of vis-à-vis facilitators, colleagues, relatives, or legal counsel representing a reporting person. Covered Persons and all individuals protected in accordance with this section 1, B, are collectively referred to as “Protected Persons”.
- C. Compliance with this Policy and with the law is required and is an ongoing responsibility of all Covered Persons.

#### 2. The Purpose of the Policy

- A. The purpose of this Policy is to explain the Company’s rules with respect to reporting instances of suspected or potential misconduct, illegal acts, or failure to act according to Company’s policies. This Policy encourages Covered Persons and others who have serious concerns about any aspect of the Company’s or any Management Company’s business or any Covered Person’s ethical conduct to come forward and voice those concerns. This Policy requires any Covered Person to report any instance of suspected or potential failure by any Covered Person to act with integrity or within the law or Company’s policies.
- B. This Policy supplements the Company’s Code of Business Conduct and Ethics, which may be found at: <https://www.tenn.gr/wp-content/uploads/2017/05/Code-Of-Ethics.pdf>.
- C. The ethical conduct and integrity of the Company’s business practices, and financial information is paramount. The Company’s financial information guides the decisions of its management team and Board of Directors and is relied upon by its shareholders and the financial markets. For these reasons, the Covered Persons must maintain a workplace where employees can raise concerns, free of fear of any retaliation, discrimination, or harassment, when they reasonably believe that they are aware of illegal or unethical conduct, or of questionable accounting, internal controls, and auditing matters, or other financial or business matters, or the existence of inaccurate financial information.

### 3. TEN's Whistleblowing Policy

A. Covered Persons are expected to perform their duties ethically, honestly and with integrity. All such reports shall be treated confidentially subject to local laws, data privacy regulations, and legal disclosure requirements which may in some jurisdictions and circumstances limit or restrict the availability and scope of anonymity.
- C. Failure to report improper behaviour may itself consist of a violation of this Policy. Covered Persons have a duty to cooperate with any investigation into known or suspected violations of Company policies or the law.
- D. The Company prohibits retaliation in any form against any person for making a good faith report under this Policy or for cooperating with an investigation into an alleged violation of this Policy or the law – even if the report is not substantiated.
